

## **Awake, and Take Your Place!**

“A giant, a giant is asleep in the earth. A giant with the power to change the earth for 1,000 years is asleep in the earth. My Body. Well, it’s time to wake up and take your place and go forth. Move out, for together we will change this earth for 1,000 years,” saith the Lord. “For the seventh millennium, the Millennial Reign of Jesus, the King, is at hand.”
