

The Year of Total Fulfillment

“Some great things are going to be happening in 2006—things that will far surpass anything that the mind and heart of man have ever seen on the earth before. We are in a place no generation has ever been before. We are walking in a time, place, where no generation has ever been before. It has been called, and rightly so, ‘The Year of Total Fulfillment.’ It is a year of great manifestation of the glory of God.

“In 2006, there will be revelation of some heretofore secrets of God’s power—secrets of manifesting His power and manifesting His glory—that we’ve not known before, that will be revealed. Some of the most amazing miracles that men and women have ever witnessed will take place and great, outstanding things just in the first three months of the year.

“The year ahead is one of great joy. More people will come to know the Lord as Savior, as Healer, as Deliverer, than ever before in the history of the human race. Great resurrections are at hand. The dead will be raised on every continent on earth. Great testimonies of marvelous things—on a level and even greater than all of the judgments that came in 2005. All of the great storms in the natural world will have a shadow of God’s mercy and His miracle power cast over those storms and they’ll say, ‘Truly this is a tsunami of love. This is a hurricane of healing and deliverance and glorious power from heaven that no other generation has seen the likes of.’ And that’s only the first half of the year. I don’t know what’s coming the second half. It’s going to be good, I can tell that.”
