

Increase Is Coming

“Heaven has released through the earth to you—every one of you—an increase in all areas. Increase beginning with the anointing to preach. Increase in the anointing for the gifts of the spirit. Some of you, before the end of the year, will be ministering in areas of the gifts and the manifestations of the Holy Ghost that you’ve never ministered in before. Increase in the area of your finances. Increase in the area of the miraculous presence of the Glory of Almighty God. And it’ll not be because of more effort on your part. It’ll not be because you spend longer and more hours working hard in the ministry. No, no. It will be because you increase your Word time, your throne time and you increase your expectancy for God to manifest Himself, and you remember to put it in the forefront of your thinking.

“Jesus said, ‘Keep My commandment. He that loves Me keeps My commandment and My Father will love him, and I love him, and I will manifest Myself to him.’

“Be quick, to love, slow to anger and if anger does come, you see to it that, I said *you see to it*,” saith the Lord, “that you don’t violate your personal command from the Commander and Chief of the Body of Christ in whose employment you are. Don’t violate it, don’t violate it under any circumstances. Don’t violate it. You may have a good excuse to violate the commandment of love—well, either fix it or ignore it. Just don’t do it. Study it, think about it, walk in it. Make it the number one priority of your life and ministry.

“Every time you open My word,” saith the Lord, “you open it looking for love. Every time you preach on the gifts of the spirit from this night forward, you keep one hand on the message of the love of God. You preach the gifts in love. You preach the

name of Jesus in love, you preach the blood in love. You preach salvation in love. You preach the baptism of the Holy Ghost in love. You preach the gifts of the spirit in love. You keep love on the front burner at all times. There is your primary endeavor. And as you do, so you may rest assured in Me,” saith the Lord, “that manifestations of My presence beyond your wildest imagination are on the scene. It’s ready now. But it is dependant on how much you spend your time in My love and My Word concerning the love of God.

“I will manifest Myself to you, and together we’ll go and together we’ll travel and together we’ll see the world. We’ll see it come to its knees and we will see great multitudes of people come flowing into the kingdom of God.

“Oh, Satan’s got a lot of stuff stirred up around the world, but it is nowhere near as worldwide as it looks on the media. They are not reporting about the multiplied millions of people that are part of Islam that are coming to the Lord Jesus Christ of Nazareth. It’s already happening. It’s not something that’s going to happen. What do you think has got the devil so stirred up? He is losing on all fronts. He’s losing his grip on all of the religions of the world.

I am manifesting Myself in Islam. I’m manifesting Myself in all the other religions. I am manifesting Myself like I said I would,” saith the Lord, “and it is causing a stir in hell that they shall never get over. I don’t intend to let them get over it,” saith the Lord.

“I don’t intend to let the devil ever forget it. I don’t intend to ever let him forget who you are and what you are. And if you will listen to Me, you will see more results every week than you’ve seen in your entire lifetime put together. For this is the day of the

outpouring. Now I have opened the door and no devil and no man can shut it. Rise up in faith and charge through it!” saith the Lord.
